# GO GREEN AND REFRESH

We are committed to reducing waste therefore we work closely with recycling partners to ensure the lifecycle of materials. This enables us to reduce our carbon footprint.

**100% RECYCLABLE**

**FREE  
SERVICE**

## REDUCED COST BARRIER RECYCLING

JSP will take back your old barriers (even competitors) then recycle the plastic in order to make all new barriers, Frontier® being a prime example. Please refer to full terms and conditions in the section below.

- ✓ **AVOID LANDFILL EXPENSE**
- ✓ **NO COST TO CONTRACTOR**
- ✓ **WASTE TRANSFER NOTE SUPPLIED**
